Re: Cashier Jose G.'s sicho,
psychotic, unprofessional,
discourteous, disrespectful,
ass-backwards wrong behavior

Recommendation: FIRE Jose. G.
immediately + permanently

Specifically, I placed 20 CLIF Protein
Builders Bars - Peanut Butter +
Chocolate flavor in an open CLIF
Protein Builder Bar box of the same
kind on the black conveyor belt at
the cash register that Cashier Jose. G.

was manning.

I respectfully & clearly told him, "20 bars," so he'd know how many to ring up. However, he said he'd have to count them. So I told him, "Go ahead." However after counting several of them he stopped, saying "Are they all the same?"

Jose G.'s question was unprofessional, discourteous, disrespectful, ass-backwards, & wrong because:

- 1) it was unnecessary, uninvited, & unwelcome because he could clearly see for himself that they all were the same, meaning Jose G. asked me a question he already knew the answer to before he asked it;
- 2) Therefore, Jose G. tried making me answer his unnecessary question to wait on, accommodate, & serve him,

though it's his job to wait on, accommodate, + serve me because he's the cashier who gets paid to serve me, the paying customer;

3) Therefore, cashier Jose G. tried flipping the true power relation of me over him in this professional interaction, meaning he initiated a passive-aggressive psych warfare attack against me that was unwarranted + unacceptable, which will not be tolerated;

Therefore to defeat Jose. G's verbal, psychological, + spiritual attack against me, I did not answer his unnecessary question. Instead, I asked him a necessary question in return, "what do you see?"

However, instead of rightly answering it, he wrongly responded in a complaining tone, "I was just asking you a question; I don't know

why you have to be like that."

Jose G.'s opinion was unprofessional,
disarousing, disrespectful, ass-backwards,
& wrong because:

- 1) it was unnecessary, uninvited,
& unwelcome;
- 2) it was totally inappropriate;
- 3) he was not just asking me
a question; he was intentionally
trying to make me serve him to
confuse & control me to
effeminate & emasculate me to
gaslight & dominate me;
- 4) So, he wrongly assumed that
just because he asked a question,
I'm obligated to answer it,
though I'm not obligated to
do so;
- 5) Though he said he did not know
why I had to be like that, he

does know because he knows I cannot allow him to flip the true power relation against me like that.

Therefore, I told Jose G. to call for a manager to try fixing Jose, G.'s ass-backwards attitude, & actions, & words on site, without having to file a formal complaint.

So Jose G. called for manager Michael, who came ~~to~~ the register a couple of minutes later.

I explained all this to manager Michael in person at the cash register, in front of Cashier Jose, G. Jose G. didn't say anything & manager Michael wrongly tried making excuses to cover for Jose G., though he knew I was right & Jose G. was wrong. So I rightly rejected all that nonsense & stood my ground.

Then, Jose G. Said, "There's 18" meaning there were only 18 CLIF

protein builder bars that I was purchasing, which was total bullcrap.

Therefore, I immediately countered his lie, telling manager Michael to count them with me in front of cashier Jose G. So, Michael + I put them in ~~for~~ groups of five to clearly show all 20 bars.

Then I asked manager Michael how many bars he saw + he said "20." Then I told him that he saw for himself that his cashier Jose G just lied to me in front of him, trying to gaslight me with his bullcrap, trying to overwrite my healthy, sane, right-side up reality with his sick, insane, upside-down, anti-reality, nightmare from hell, for which he would be written up + should be fired.

However, manager Michael again wrongly tried covering for Jose G's

gaslighting behavior again making excuses for it, like Jose G. Simply miscounted, which was total bullshit.

So, I called manager Michael on it, which prompted Michael to remind me that I wrote him up to Sprouts Corporate last year when he tried similar crap against me at the register at the Sprouts on S. Lamar, meaning Michael knew exactly what was going on with Jose G.'s alien behavior against me.

So, Michael had to stand there watching Jose G. finally ring up the go bars + me then counting the change in front of him to make sure Jose G. gave me back all my change exactly.

Therefore, certainly you can replace Jose G. with a human, non-alien cashier who'll treat me respectfully + right all the time, from start to finish of each + every professional interaction at Sprouts, how it should be. →

Make no mistake. This is spiritual warfare. There is no negotiation with evil; Evil must be defeated + its works destroyed like Liar + fraud, anti-christ, Kenyan Obama's Secret, shadow, sharia civilian Trojan army trying to destroy Constitutional America from the inside out. HELL NO.

BUS #: Interurban - CARTS

Location: Georgetown Library

Older White Male driver acted unprofessionally, discartrously, disrespectfully, ass-backwards + wrong, violating CAP METRO policy, procedure + customer service benchmarks, as well as Austin Transportation Code 13-2-132.

Specifically, as soon as the Interurban - CARTS bus running the 1511 rate (Red Rate) pulled up to Georgetown library on 4/26/19 at about 1:00 PM, Non-Black Male passenger with luggage walked directly to the Interurban bus to board + ride it back →

to Austin.

However, as soon as Non-Black Male passenger with luggage boarded, White Male driver asked HIM where he was going.

White Male driver's question was unprofessional, discourteous, disrespectful, ass-backwards, & wrong because:

- 1) it was unnecessary, uninvited, & unwelcome;
- 2) ~~ask~~ where Non-Black Male Passenger with luggage was going ~~is~~ is not White Male driver's business ~~business~~;

White Male driver's business is ~~safely~~ safely transporting Non-Black Male Passenger →

with luggage to HIS destination stop which non-Black Male Passenger with luggage respectfully signals by pulling the "Stop Requested" cord before the Interurban stops at it, because the Interurban ~~can~~ is required to stop at each + every stop on its route;

- 3) Therefore, white male driver asked non-Black Male passenger with luggage a personal question on professional time in professional space, though the personal should be kept separate from the professional while on duty;
- 4) Therefore, white male driver tried making non-Black Male passenger with luggage answer his unnecessary, personal question to accommodate + serve him,

though white Male driver is legally bound to answer non-Black Male passenger with luggage's relevant professional questions to wait on, accommodate, + serve him because

white Male driver is a public servant per Texas Penal

Code 1.07 (a)(41)(A), meaning he is legally bound to serve non-Black Male passenger with luggage professionally + courteously per Austin Transportation Code 13-2-132;

F
F

E 5) Therefore, white Male driver tried flipping the true legal power relation of non-Black Male passenger with luggage over him, though GPT-METRO's self-organization chart rightly shows passengers on top (transit community) + drivers on bottom ~~transit~~

(Transportation companies);

- 6) Therefore, white male driver tried testing non-Black Male passenger with luggage though it's non-Black Male passenger with luggage who tests drivers like this white male driver;
- 7) Therefore, this white male driver tried confusing + controlling non-Black Male Passenger with luggage to effeminate + emasculate HIM to gaslight + dominate HIM into following white male driver's mislead to allow white male driver to exert power over non-Black Male Passenger with luggage that white male driver does not have legally or otherwise; ~~elsewhere~~

Remember that if non-Black Male Passenger with luggage →

has any concerns or questions about Intercurban bus service to his destination stop ~~stop~~
or ultimate destination.
It's Non-Black Male Passenger
with luggage's responsibility to initiate
an interaction with white
Male driver, not the other
way around.

Therefore to defeat white
Male driver's verbal,
psychological + spiritual
attack against him
Non-Black Male Passenger
with luggage did not
answer, respond to, or
acknowledge white Male
driver's question.

Instead, Non-Black Male
Passenger with luggage
asked white Male driver
a relevant, professional
question, asking him if

he was heading southbound, meaning back to Austin to follow the schedule posted on the CARTS Interurban website.

Though white Male driver rightly answered Non-Black Male passenger with luggage's question, telling ~~HIM~~ he^{*} was going southbound stopping at all the stops on the route, white Male driver wrongly repeated his question, again asking Non-Black Male passenger with luggage where ~~HE~~ was going.

Therefore, white Male driver's repeated question was unprofessional, discourteous, disrespectful, ass-backwards + wrong for all the reasons listed before, and the following new reasons:

- 1) White Male driver apparently thought that because he answered Non-Black Male

Passenger with luggage's question, which he is legally required to do, non-Black Male Passenger with luggage had to answer his question, though HE (Passenger) is not legally forced to do so;

2) it was an attempt to verbally bully non-Black Male Passenger with luggage ~~in a~~ in a passive-aggressive manner instead of actively + peacefully serving him;

♀ 3) it was white Male driver initiating a power, control confrontation he should not have started

Therefore to defeat white Male driver's verbal, psychological, + spiritual attack against HTM non-Black Male Passenger with luggage

did not answer, respond to, or acknowledge White Male driver's repeated question. Instead, Non-Black Male Passenger with luggage reminded White Male driver that he's a public servant per Texas Penal Code 1.07(a)(41)(A).

White Male driver then got so angry at having been defeated with truth + the law he quickly + loudly told Non-Black Male Passenger with luggage to get off the bus right now or he'd call the cops, though Non-Black Male Passenger with luggage had done nothing wrong, but rightly, peacefully + legally stand HIS ground.

Because Non-Black Male passenger with luggage had not yet paid HIS fare + because White Male driver said he

was stepping off the bus to use
the bathroom at Georgetown
Library, Non-Black Male
Passenger with luggage chose
to comply & stepped off the
bus. Then white Male driver
closed his driver door &
~~closed~~
boarding door ~~open~~
behind him, heading for
the bathroom at Georgetown
library.

A few minutes later white
Male driver returned to
the Interurban bus, #
re-opening the front doors
for Non-Black Male Passenger
with luggage to re-board,
which HE then did.

Then HE showed white Male
driver four \$1 bills +
said "For dollars, one way."

In return, white Male driver

angrily + silently jerked ~~his~~ his
thumb ~~up~~ toward the red
fare box ~~receipt~~ with
an unprofessional attitude that
is not appropriate especially
since non-Black Male Passenger
with luggage already knew
where to put the fare dollars
because that's where ~~HE~~ HE
put it the day before riding
the same interurban route
northbound (to Georgetown)
with the same white male
driver.
